## COACHES TRUST MEB FOR CAMPS CUSTOMIZED FOR THEIR TEAMS

*"I have seen parents since the MEB came to our school and they told me all their child could talk about was the camp. All my players thought it was awesome and were excited when I mentioned we would do it again next year."*

*-Leeanna Horn,  
Head Basketball Coach,  
Dubois High School (WY)*

*"We have used Midwest Elite Basketball for the many consecutive years now. I love the way they conduct camp. This summer I added youth players to the camp. The MEB staff did a great job of developing them while also advancing my varsity level players."*

*-Erik Melgoza,  
Head Basketball Coach,  
Lamar High School (CO)*

*"I like the fact that the coaches emphasize the same concepts that I have, but sometimes teach it in a different way through different types of drills. The coaches did an excellent job of listening to what our needs were and adjusted the curriculum plan to what our program needed to work on."*

*-Matt Lucero,  
Head Basketball Coach,  
Sierra Grande High School (CO)*

# COLLEGE COACHES AND PLAYERS IN YOUR GYM WORKING WITH YOU. IT'S A WINNING COMBINATION

Student-Athletes,

We travel to your gym to work with you and your teammates. Founded in 2006, we are now in our 13th year providing the best basketball camps in the country. Our staff is made up of current and former college coaches as well as select college players who spend their summers working camps and developing basketball players for Midwest Elite Basketball. All of our camps include:

- Advancement of fundamentals
- Individual and team instruction catered specifically to your team
- The opportunity to be coached, evaluated and potentially recruited by coaches who have a vast network of hundreds of colleges and universities throughout the country
- Individual shooting, offense and defense instruction
- Emphasis on perimeter and post play
- Team transition, rebounding, and defensive drills
- Leadership and communication development
- Each camper will receive a Midwest Elite Basketball silicone gel band
