

The regular season for softball is nearing completion. I am playing catch up with some teams at this time to ensure that you have all played an equal amount of games. If you are not scheduled this week, please look for the District Tournament Bracket to be posted for the following week. Co Rec teams please note that you will not play the week of July 28, 2014 so that the Men's District Tournament may be completed.

Men's League

Monday July 21, 2014
